"PROPHETIC BLUE PRINTS TO WHEATHERING THE STORM"

Prophet Reid transcends cultural barriers as he uses prophetic insight, real life events, and biblical accounts to help the reader fully understand the power of overcoming storms by simply learning to endure the process in their life. Book lovers from all walks of life will acquire the seasoned blend of poetry, prayer, and words of affirmation from the heart of God. **Prophet Reid challenges the reader to understand that God's process is contrary to the world, and just because you may have no idea where God is taking you in your life don't press fast forward pass the low points. Through out the duration of this book readers will be urged by the Spirit of God to hold on** during the storms and encouraged to shout more when the trouble comes in life knowing that it's not the final episode, because God has already put a Be Continue in your life. By reading this book one will learn not to skip past the storm and road blocks in their life, but come to the realization that **you can speak to the opposition of your progress! Keep in mind all you have to do is be willing to read this book. Study it perpetually. Practice it often. Implement what you have studied daily.**

"³Moreover [let us also be full of joy now!] let us exult and triumph in our troubles and rejoice in our sufferings, knowing that pressure and affliction and hardship produce patient and unswerving endurance. ⁴And endurance (fortitude) develops maturity of character (approved faith and tried integrity). And character [of this sort] produces [the habit of] joyful and confident hope of eternal salvation. ⁵Such hope never disappoints or deludes or shames us, for God's love has been poured out in our hearts through the Holy Spirit Who has been given to us." *Romans 5:3-5 (Amplified Bible)*
